DONORS TO THE ANNUAL CAMPAIGN

The Virginia Athletics Foundation is grateful for the generosity of over 9,200 members who made a commitment to support the Virginia Athletics program in 2012. Each helped to carry on the tradition of loyal donor support, which provides opportunities for student-athletes to play, graduate and succeed at the University of Virginia.

In 2012, 41 members reached their 40th consecutive year of giving. Their names are in bold italics throughout this donor recognition piece. There were 1,874 student-athlete alumni members, of which 160 were first-time members. Also, there were 400 members who wished to remain anonymous.

Between January 1, 2012 and December 31, 2012, the members listed on these pages made gifts that supported athletic scholarships, operational needs, capital gifts for new and renovated facilities, Athletics Academic Affairs and endowments for scholarships and operations.
